

Loss of Cable/Internet Service:

The City of Bardstown expressly reserves the right to disconnect, confiscate unauthorized devices, and / or discontinue Cable/Internet service or any other connection with or without notice where the Company discovers, finds or is otherwise made aware of any such installation that poses a threat to the supply, public health or public safety.

Interruptions: The Company cannot guarantee uninterrupted Cable/Internet service. The service will be as free from interruptions as is possible. The service may be affected by line breaks, scheduled repairs, alterations, additions, interruptions in the internet, or acts of God.
